ALAMEDA, CA

**Wednesday, October 5, 2016 at 7:00 p.m.**

**\$79 per person, inclusive of tax & gratuity**

**Host: Peter Kerr, The Wine Consultant Special Guest: Owner, Kent Rosenblum**

The name Rosenblum has been synonymous with great wine for over 35 years. Kent Rosenblum, who made his mark by taking Zin to a new level, has continued his wine endeavors with his daughter Shauna, who is the resident winemaker. Kent's long time relationships with acclaimed California vineyards in Napa, Sonoma, Contra Costa & Santa Barbara County allow the winery to source the "right grapes from the right place", a simple recipe for continued success.

Tonight, we'll dine family-style & have the opportunity to enjoy 5 of their wines, including a Sonoma Zin & Napa Petite Sirah, paired with the authentic Tuscan cuisine of Deluca's Andrea Francesco (son), Gabriella Torelli (mom) & their team.

Join Peter & Kent as they explore the history of the winery & these unique pairings of new world wines with old world Italian cuisine. Reserve today – come be part of the extended family.
